On April 7th, 1906, the National Academy of Design
and the Society of American Artists were united.

THE FOUNDERS.

On the 8th of November, 1825, a number of young Artists and Students established the New York Drawing Association; and soon after, on the 19th of January, 1826, they resolved themselves into a new organization, to be known as the National Academy of the Arts of Design. They thereupon chose from their number fifteen artists, who were directed to choose fifteen others, the thirty thus selected to constitute the new society.

Of this body of Founders of the National Academy of Design, whose names are here recorded, the last survivor, Thomas S. Cummings, N.A., who was for many years the Treasurer, and at one time the Vice-President of the Academy, died September 25, 1894.
